- The further advisor assists the doctoral student academically and non-academically throughout the entire doctoral period until graduation.
- In principle the further advisor **is not a member of the aptitude committee**. If this is desired, the authorisation of your doctoral thesis supervisor and your department's doctoral committee is needed. Please contact the doctoral administration of your department for this.
- The further advisor **is not automatically involved in the annual progress report and the annual status conversation**. If this is desired, coordinate that with your doctoral thesis supervisor.
- The further advisor **is not a co-examiner at the final doctoral defense**. However, he/she can certainly take on this role if he/she meets the requirements for it. If you have any questions in this regard, please contact the doctoral administration of your department.
